# FUTURE OF RE-HOSTEL

TAKING  
NEW PATHS

A photograph of a modern, glass-walled cabin with a dark frame, situated in a dense forest. The cabin has a gabled roof and large windows that reflect the surrounding trees. In the foreground, there is a wooden picnic table. To the left, another smaller cabin is partially visible. A circular callout in the upper left corner contains a stylized icon of a house with a tree inside, and the text "ANY QUESTIONS?".

ANY  
QUESTIONS?

HOW COULD A  
SUSTAINABLE  
ACCOMMODATION  
SECTOR LOOK LIKE  
(IN THE FUTURE)?
